STATEMENT BY THE COUNCIL MEMBERS

We, the undersigned being the President and Treasurer of **SENIOR GOLFERS' SOCIETY OF MALAYSIA**, do hereby state that, in our opinion of the Council Members, the Statement of Financial Position, Statement of Income and Expenditure and Statement of Cash Flows together with the notes to the financial statements set out on pages 5 to 18 are properly drawn up in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirement of the Societies Act, 1966 in Malaysia so as to give a true and fair view of the financial performance of the Society for the financial year ended 31 December 2023 and of the results of their operations and cash flows of the Society for the year then ended.

Signed on behalf of the Council Members,

.....
DATO' SHAMSUDIN BIN ISMAIL
President

.....
EN ABDUL RAZAK JAMALUDIN
Treasurer

Reports on the Audit of Financial Statements

Opinion

We have audited the financial statements of **SENIOR GOLFERS' SOCIETY OF MALAYSIA**, which comprise the statement of financial position as at 31 December 2023, and statement of income and expenditure and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies as set out of pages 5 to 18.

In our opinion the accompanying financial statements have been properly drawn up in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirement of the Societies Act, 1966 in Malaysia so as to give a true and fair view of the financial position of the Society as of 31 December 2023 and of its financial performance and cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence and Other Ethical Responsibilities

We are independent of the Society in accordance with the By-Laws (on Professional Ethics, Conduct and Practice) of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

Information Other than the Financial Statements and Auditors' Report Thereon

The Council Members of the Society are responsible for the other information. The other information comprises the Council Members' Report but does not include the financial statements of the Society and our Auditors' Report thereon.

Our opinion on the financial statements of the Society does not cover the Council Members' Report and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements of the Society, our responsibility is to read the Council Members' Report and, in doing so, consider whether the Council Members' Report is materially inconsistent with the Financial Statements of the Society or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on work we have performed, we conclude that there is a material misstatement of the Council Members' Report, we are required to report that fact. We have nothing to report in this regards.

Registration No : 2349/2006

**INDEPENDENT AUDITORS' REPORT (CONTD.)
TO THE MEMBERS SENIOR GOLFERS' SOCIETY OF MALAYSIA**

Responsibilities of the Council Members for the Financial Statements

The Council Members of the Society are responsible for the preparation and fair presentation of these financial statements of the Society that give true and fair view in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Societies Act, 1966 in Malaysia. The Council Members are also responsible for such internal control as the Council Members determine is necessary to enable the preparation of financial statements of the Society that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Society, the Council Members are responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Council Members either intend to liquidate the Society or to cease operations, or have no realistic alternative but to do so.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Society as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standard on auditing in Malaysia and International Standard on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decision of users taken on the basis of those financial statements.

As part of an audit in accordance with approved standard on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also :

- (a) Identify and assess the risks of material misstatement of the financial statements of the Society, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- (c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Council Members.

Registration No : 2349/2006

**INDEPENDENT AUDITORS' REPORT (CONTD.)
TO THE MEMBERS SENIOR GOLFERS' SOCIETY OF MALAYSIA**

Auditors' Responsibility for the Audit of the Financial Statements (Contd.)

(d) Conclude on the appropriateness of the Council Members use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Council Members' ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditors' Report to the related disclosures in the financial statements of the Council Members or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditors' Report. However, future events or conditions may cause the Society to cease to continue as a going concern.

(e) Evaluate the overall presentation, structure and content of the financial statements of the Society, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Council Members regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Other matters

The report is made solely to the Council Members of the Society, as a body, in accordance with the Societies Act, 1966 in Malaysia and for no other purpose. We do not assume responsibility to any other person for the content of this report.

NOTE TO THE FINANCIAL STATEMENTS - 31 DECEMBER 2023

1. BASIS OF PREPARATION OF THE FINANCIAL STATEMENTS

a) Statement of compliance

The financial statements of the Company have been prepared in accordance with **Malaysian Private Entities Reporting Standards (MPERS)** and the requirements of the Societies Act, 1966 in Malaysia.

b) Basis of measurement

The financial statements have been prepared on the historical cost basis other than as disclosed in Note 2.

c) Functional and presentation currency

The financial statements are presented in Ringgit Malaysia ("RM") which is the Company's functional currency. All financial information is presented in RM and has been rounded to the nearest ringgit, unless otherwise stated.

d) Use of estimates and judgements

These preparation of the financial statements in conformity with MPERS requires management to make judgements, estimates and assumption that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimates are revised and in any future years affected.

2. SIGNIFICANT ACCOUNTING POLICIES

a) Property, Plant And Equipment

i) Recognition and measurement

Items of property, plant and equipment are measured at cost less any accumulated.

Costs includes expenditures that are directly attributable to the acquisition of the asset and any other costs directly attributable to bringing the asset to working condition for its intended use, and the costs of dismantling and removing the items and restoring the site on which they are located. The cost of self-constructed assets also includes the cost of materials and direct labour. Cost also may include transfers from equity of any gain or loss on qualifying hedges of foreign currency purchases of property, plant and equipment.

Purchased software that is integral to the functionality of the related equipment is capitalised as part of that equipment.

NOTE TO THE FINANCIAL STATEMENTS (CONTD.)

2. SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

a) Property, Plant And Equipment (Contd.)

i) Recognition and measurement (Contd.)

The gain or loss on disposal of an item of property, plant and equipment is determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and is recognised net within "other income" or "other expenses" respectively in profit or loss.

ii) Subsequent costs

The cost of replacing a component of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the component will flow to the Company, and its cost can be measured reliably. The carrying amount of the replaced component is derecognised to profit or loss. The costs of the day-to-day servicing of property, plant and equipment are recognised in profit or loss as incurred.

iii) Depreciation

Depreciation is based on the cost of an asset less its residual value. Significant components of individual assets are assessed, and if a component has a useful life that is different from the remainder of that asset, then that component is depreciated separately.

Depreciation is recognised in profit or loss on a straight-line basis over the estimated useful lives of each component of an item of property, plant and equipment from the date they are available for use. Freehold land is not depreciated. Property, plant and equipment under construction are not depreciated until the assets are ready for their intended use. The principal annual rates used for this purpose are :

Land and building	2%
Air conditioner	10%
Computer and software	40%
Furniture and fitting	10%
Office equipment	10%
Renovation	10%
Security Systems	10%
Signboard	10%
Website	10%

If there is an indication that there has been a significant change since the last annual reporting date in the pattern by which the Company expects to consume an asset's future economic benefits, the Company would review its present depreciation method and, if current expectations differ, the Company would amend the residual value, depreciation method or useful life to reflect the new pattern.

NOTE TO THE FINANCIAL STATEMENTS (CONTD.)

2. SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

b) Inventories

Inventories are stated at the lower of cost and net realisable value. Cost is determined on first in first out basis and includes transport and handling costs.

c) Cash And Cash Equivalents

Cash and cash equivalents represent cash and bank balances, bank overdrafts, short term borrowings and deposits with financial institutions.

d) Taxation

Provision for taxation is made based on the amount of tax estimated to be payable on profits adjusted for the purpose. Provision is made using the liability method for taxation which is deferred due to timing differences. The provision recognises all timing differences where there is reasonable evidence that they will reverse in the foreseeable future.

e) Financial Instruments

i) Initial recognition and measurement

A financial asset or financial liability is recognised in the statement of financial position when, and only when, the Company becomes a party to the contractual provisions of the instrument.

A financial instrument is recognised initially at the transaction price (including transaction costs except in the initial measurement of a financial asset or financial liability that is measured at fair value through profit or loss) unless the arrangement constitutes, in effect, a financing transaction. If the arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

ii) Subsequent measurement

Debt instruments that meet the following conditions are measured at amortised cost using the effective interest method :

- * returns to the holder are determinable, e.g. a fixed amount and/or variable rate of return benchmark against a quoted or observable interest rate;
- * there is no contractual provision that could result in the holder losing the principal amount or any interest attributable to the current or prior years; and
- * prepayment option, if any, is not contingent on future events.

NOTE TO THE FINANCIAL STATEMENTS (CONTD.)

2. SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

e) Financial Instruments (Contd.)

ii) Subsequent measurement (Contd.)

Debt instruments that are classified as current assets or current liabilities are measured at the undiscounted amount of the cash or other consideration expected to be paid or received unless the arrangement constitutes, in effect, a financing transaction.

All other financial assets or financial liabilities not measured at amortised cost or cost less impairment are measured at fair value with changes recognised in profit or loss.

All financial assets (except for financial assets measured at fair value through profit or loss) are assessed at each reporting date whether there is any objective evidence of impairment. An impairment loss is measured as follows:

- * For an instrument measured at amortised cost, the impairment loss is the difference between the asset's carrying amount and the present value of estimated cash flows discounted at the asset's original effective interest rate.
- * For an instrument measured at cost less impairment, the impairment loss is the difference between the asset's carrying amount and the best estimate of the amount that would be received for the asset if it were to be sold at the reporting date.

iii) Derecognition

A financial asset or part of it is derecognised when, and only when, the contractual rights to the cash flows from the financial asset expired or are settled, or control of the asset is not retained or substantially all of the risks and rewards of ownership of the financial asset are transferred to another party. On derecognition of a financial asset, the difference between the carrying amount of the financial asset derecognised and the consideration received, including any newly created rights and obligations, is recognised in profit or loss.

A financial liability or part of it is derecognised when, and only when, the obligation specified in the contract is discharged, cancelled or expired. On derecognition of a financial liability, the difference between the carrying amount of the financial liability extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

f) Revenue Recognition

Donations and offering receipts.
